

Data Protection

The Accelerator project is a business support project funded through the UK Shared Prosperity Fund (UKSPF) administered by the Local Authorities (LA). East Midlands Chamber as well as the LA process data. It will not be used for any other purpose. We may contact you for further information regarding the interaction, and with details of other opportunities available through the project.

For the purposes of the General Data Protection Regulation (GDPR), in terms of the information processed, the following parties are Data Controllers:

- LA – who determines the purposes and criteria for processing
- East Midlands Chamber

Please [click here](#) to view the Chamber's Privacy Notice for more information.

I hereby declare that the information provided is a true and accurate record and fairly reflects my business activity and prospects. I confirm that by completing this application form I acknowledge and agree that the data provided can be held on a computer and used for any purpose and disclosures that are registered under the Data Protection Act 2018.

I give permission for the information contained in this form to be shared with the relevant LA and, if requested, the UK Government.
